II. HEAD

"I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life." – John 8:12

Jesus is the light of the world. He gave us light because He loves us so much and He doesn't want us to walk in the darkness. For us to live in the light, He gave us our parents as bearers of light in our homes and in our lives. They are our guide as we grow up!

III. HEART

“Your word is a lamp for my feet, a light for my path.” - Psalm 119:105

God gave us His word as light to this life. And because of His great love for us, He also gave us our parents to be our guide. The word of God becomes real because of our parents. And our parents are the lamp that lights our path so that we will not stumble as we journey in this life. Let us appreciate them by allowing them to become our **L.A.M.P.!**

L - Let the light of Christ, through your parents' guide you.

Our parents are blessings from God. The guidance that our parents provide is the pathway light that will save us. This light will save us from trouble, harm, and unnecessary pains and sadness. The love that they show to us comes from God, that's why it's always the best!

A - Allow them to guide you.

Sometimes, we don't understand our parents. Because of this, we often resist what they say. Indeed, we know that they know better than we do, that is why we need to realize that they are God's gift to us that serves as our guide. May we learn to appreciate them and listen to them. May we realize that whatever they ask us to do, they do it because of their love for us.

M - Make time for them

For us to be guided accordingly, we must learn to converse with them as much as possible. Sometimes, we need to minimize the use of our gadgets, watching TV, or whatever unimportant things that keep us busy that take away the time that we should be spending with our parents. Let's use our time properly to bond and to have quality time with them.

P - Pray for them

As we struggle sometimes to become happy or to see the light, it is the same as well with our parents. They have their struggles as well, that's why we need to keep them in our prayers always. The best way that we can love them is to pray for them. Pray, that may the Lord, bless them and protect them so that, they may give light even more to the whole family.

God gave us our parents as the light, so that may we never walk in darkness. We thank God for the gift of our parents who guide us to the path of holiness and righteousness. by them, we still need to forgive and love them. Say sorry if we are the one that causes the conflict and always forgive if they ask for forgiveness.

IV. TAKE AWAY

When Jesus came to the earth, He became the light to everyone. We need light in our lives, that is why we need Jesus. Let the life and teachings of Jesus guide us to become better children of God. Jesus was a good son to St. Joseph and Mama Mary, and we must do the same.

“Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.” - Matthew 5:15-16

We need to pray to Him every day! Our spiritual enemy will always try to steal the light in us. That is why we need to connect always to the source of our light, which is Jesus Christ!

Dear Parents/Guardians,

Thank you for letting your child/ren participate in our Kids Assembly this month. We honor your patience and love for your kid/s that you allowed them to hear God's messages for them.

This month we talked about you, their lovable parents. They learned how to appreciate their parents as the light in their lives. Since you are the primary educators & evangelizers of your children, we invite and encourage you to do the following activities that would make you and your child/ren appreciate your role in their lives.

Memorization Time - Spend some time with your kid/s memorizing this verse about being the light to the world, the light in their lives:

"I am the light of the world. Whoever follows me will not walk in darkness but will have the light of life." – John 8:12

Movie Time - Watch a wholesome/kiddy movie with your kid/s beside you with some snacks. Make time with them and show them you are also interested in what they watch. You can be the light by guiding them and telling them what kind of movies they should be watching.

Dance Time - Watch and dance "As for me and my house" Kids Praise Video. Record it and post it in your social media accounts!
