Dear Parents & Coordinators,

Our community theme verse this year is 1 Corinthians 16:13-14  
“Firm in Faith. Founded on Love.” St. Paul says that we can stand  
our guard against the enemies of our lives and move forward  
each day with purpose and hope.

St. Paul also gives commands to emphasize things that He wants  
us to remember - to be firm in our Faith and to be founded on  
Love. With this, our Monthly Kids Assembly aims to let the kids  
realize their growing faith and love for God!

The kids are tasked to write down their conviction statements  
every month, for the whole year! The last page of this document  
includes the conviction statement card for 2023. Print it on a  
specialty board paper. Cut it and make sure that your kid always  
brings it in his/her assembly.

We hope that at the end of this year, we will all declare that we  
are firm in our Faith, and that we are founded on love!
